WORDS TO THE WISE

It's not hard to be understanding...
Put yourself in another's place.
They may be going through burdens
That you have yet to face.
You may have been blessed with wisdom
Or more courage to endure,
You may be blessed with strength and wealth
While they are weak and poor.
So never turn your ear away
Or refuse to lend a hand...
Put yourself in another's place
And you will understand.
